

HOPE FOR LIFE

ANNUAL REPORT 2016

WHO WE ARE

Hope for Life transforms the lives of homeless youth in Rwanda by providing housing, education, and counseling. We seek to make a sustainable impact through reconciling families and improving their long-term standard of living.

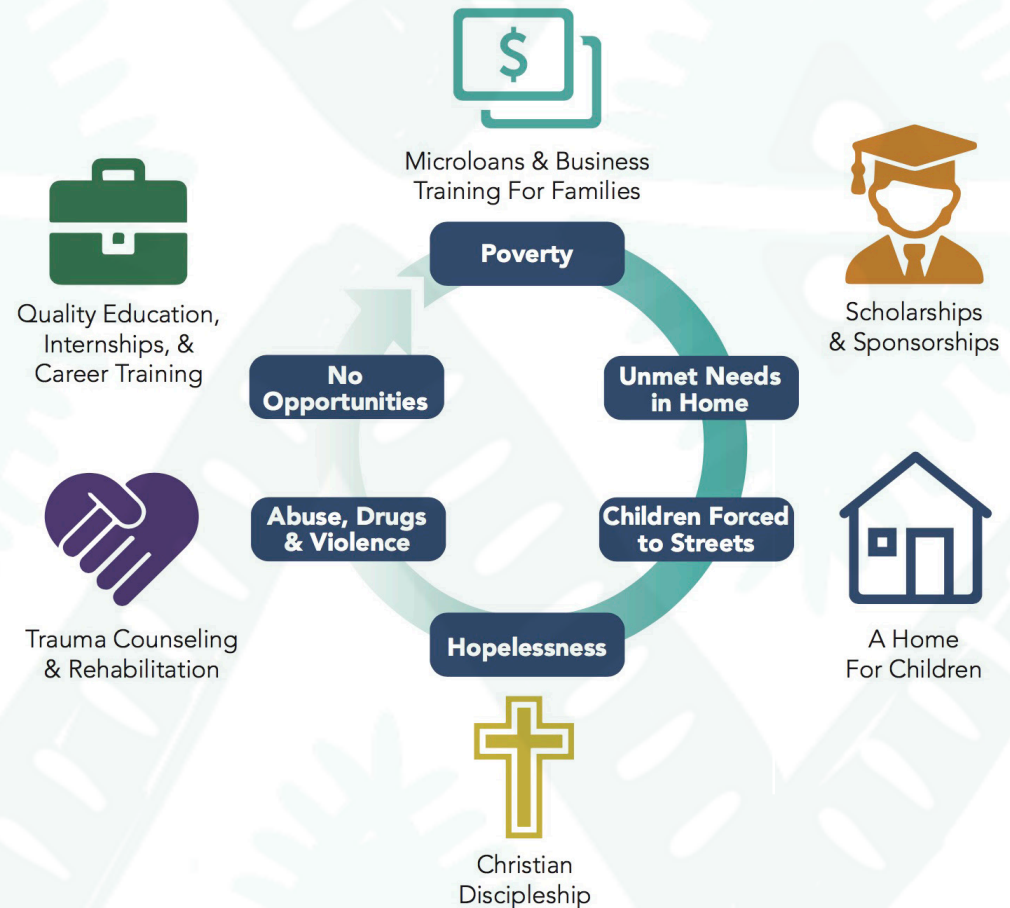

OUR IMMEDIATE IMPACT:

We come alongside children who have experienced homelessness, imprisonment, extreme poverty, and abuse, and provide them with loving homes, holistic healing, and excellent educations.

OUR LONG-TERM IMPACT:

We empower children to be a generation of influencers who rise out of poverty and become change makers in their communities.
